Receiving information for TechBuy purchase orders must be submitted through the TechBuy receiving process.

All orders must be received, no matter the vendor or type of order.

Departments are responsible for making sure receiving is entered timely in TechBuy for all items purchased/received with institutional funds.

Quick Tip:
Please do not wait for Accounts Payable to contact you requesting receiving information.

If the item(s) and/or service(s) have been received, a receipt should be created in TechBuy.

2 types of receipts
Cost receipt is for Services
Quantity receipt is for Items/Goods
