Use of Wireless Communication Devices While Operating a Motor Vehicle for TTUHSC Business

A TTUHSC Employee may not use a wireless communication device to read, write or send a text-based communication while operating a motor vehicle for state business. Wireless communication devices may only be used when the vehicle is stopped and pulled safely off the road and parked. This includes personal vehicles, rental vehicles or TTUHSC owned vehicles.

Text-based communication includes SMS Text, e-Mail, instant message or other form of electronic data retrieval or electronic data communication.
