None of the terms and conditions contained in this Purchase Order may be modified, superseded or otherwise altered except by a written instrument signed by an authorized representative of the TTUHSC and delivered by TTUHSC to Supplier, and each shipment received by TTUHSC from Supplier shall be deemed to be only upon the terms and conditions contained in this Purchase Order except as these may be added to, modified, superseded or otherwise altered by a written instrument signed by an authorized representative of TTUHSC and delivered by TTUHSC to Supplier, notwithstanding any terms and conditions that may be contained in any acknowledgement, invoice or other form of Supplier and notwithstanding TTUHSC’s act of accepting or paying for any shipment or similar act of TTUHSC. TTUHSC's failure to object to provisions contained in Supplier's documents shall not be deemed a waiver of the Purchase Order, the Terms and Conditions set forth herein and any exhibits (collectively also referred to as “Purchase Order”) which shall constitute the entire agreement between the parties.

2. DELIVERY; SUBSTITUTIONS; INVOICES; SALES TAX: Supplier will keep TTUHSC advised at all times of the status of delivery or performance under this Purchase Order. If delay is foreseen, Supplier will give prompt written notice to TTUHSC. Upon notice, TTUHSC may extend the delivery date in its sole discretion. Substitutions, cancellations and price changes will require prior written consent of TTUHSC Purchasing Department. TTUHSC will not be bound by any oral statement or representation contrary to the written Specifications of this Purchase Order. Default in promised delivery or failure to conform to the requirements of this Purchase Order authorizes TTUHSC to purchase goods or services elsewhere and charge to Supplier any excess cost of such repurchase. Supplier will show this Purchase Order number and complete “ship to” information, including attention line, on all packages, shipments, and invoices. Invoices must include Supplier's Texas Vendor Identification Number and be addressed and mailed to:

Texas Tech University Health Sciences Center

4. WARRANTIES: In addition to all warranties established by law, Supplier hereby represents, covenants, certifies, warrants and agrees that:
   (a) Supplier will comply with all requirements of this Purchase Order.
   (b) All goods and services covered by this Purchase Order will conform to the specifications, drawings, samples or other descriptions furnished or adopted by TTUHSC (collectively “Specifications”), and will be new, merchantable, fit for the purpose intended, of best quality and workmanship, covered by manufacturer's warranty, and free from all defects. All electrical items must meet all applicable OSHA standards and regulations, and bear the appropriate listing from a Nationally Recognized Testing Laboratory (NRTL). TTUHSC will have the rights of inspection and approval and may reject and return goods or require reperformance of services at Supplier's expense if defective or not in compliance with TTUHSC's Specifications. Defects will not be deemed waived by TTUHSC's failure to notify Supplier upon receipt of goods or completion of services or by payment of invoice.
   (c) No disclosure, description, or other communication of any sort will be made by Supplier to any third person of the fact of TTUHSC's purchase of goods or services under this Purchase Order, or of the details and characteristics of the goods or services, without TTUHSC's prior written consent. Anything furnished to Supplier by TTUHSC pursuant to this Purchase Order including samples, drawings, patterns, and materials will remain the property of TTUHSC, will be held at Supplier's risk, and will be returned to TTUHSC upon TTUHSC’s request, and no disclosure or reproduction thereof in any form will be made without TTUHSC's prior written consent.
   (d) Supplier is familiar with and is in full compliance with its obligations, if any, under all applicable federal, state and local, laws, regulations, and ordinances (collectively, “Applicable Laws”).

   (f) Supplier is familiar with and in full compliance with the Texas Hazard Communication Act and will provide either (1) a Material Safety Data Sheet (“MSDS”) for each product Supplier, its employees, agents or subcontractors brings on TTUHSC’s premises, or (2) a statement of exemption if the product is not covered by the Texas Hazard Communication Act. For any chemicals purchased, mail Material Safety Data Sheet to:

Texas Tech University Health Sciences Center
Safety Services, Stop 9020
3601 4th Street
Lubbock, Texas 79430
Include an additional Material Safety Data Sheet with the shipment.

(g) Use or sale of any goods delivered under this Purchase Order, except (with respect to patents) goods produced to TTUHSC's detailed design, will not infringe any adverse valid patent, copyright, trademark or other intellectual property right.

(h) The price to be paid by TTUHSC will be that contained in Supplier's bid or proposal, which Supplier warrants to be no higher than Supplier's current prices on orders by others for goods or services of the kind covered by this Purchase Order for similar quantities to similar customers under similar conditions. In the event Supplier breaches its warranty, the prices will be reduced to Supplier's current prices on orders by others or, in the alternative, TTUHSC may cancel this Purchase Order without liability to Supplier.

(i) Supplier will make records of Supplier's costs, reimbursable expenses and payments pertaining to this Purchase Order available to TTUHSC or its authorized representative during business hours and retain those records for four (4) years after final payment or abandoning of the project, unless TTUHSC otherwise instructs Supplier in writing.

(j) If this Purchase Order requires Supplier's presence on TTUHSC's premises or in TTUHSC's facilities, Supplier will cause its employees, representatives, agents, and subcontractors to become aware of, fully informed about, and in full compliance with all applicable TTUHSC rules and policies, including but not limited to those relative to personal health, security, environmental quality, safety, fire prevention, noise, smoking, and access restrictions.

(k) Supplier has not given or offered to give, nor does Supplier intend to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this Purchase Order.

(l) Supplier shall comply with applicable export control laws and regulations, including but not limited to the International Traffic in Arms Regulations (ITAR), 22 CFR Parts 120 through 130, and the Export Administration Regulations (EAR) 15 CFR Parts 730 through 799, in the performance of this Purchase Order. In the absence of available license exemptions/exceptions, Supplier shall be responsible for obtaining the appropriate licenses or other authorizations, if required, for exports of hardware, technical data, and software, or for the provision of technical assistance. Supplier shall be responsible for all regulatory record keeping requirements associated with the use of licenses and license exemptions/exceptions. Prior to disclosing or transferring to TTUHSC any hardware, technical data, software or product utilizing any such data which is subject to export controls under federal law, Supplier shall notify TTUHSC in writing of the nature and extent of the export control. TTUHSC shall have the right to decline any such technical data or product utilizing such data. In the event the Supplier sends such technical data or product that is subject to export control, without notice of the applicability of such export control, TTUHSC has the right to immediately terminate this Purchase Order.

(m) Supplier agrees that all writings or other materials produced by Supplier, its employees or agents relating to the work under this Purchase Order shall be deemed "works made for hire" as that term is defined in the U.S. Copyright Act, that all rights thereto shall be owned by TTUHSC, and that Supplier shall not assert any claim thereto. In the event that works are not considered "works made for hire" as that term is defined in the U.S. Copyright Act, the Supplier assigns any and all intellectual property rights, including but not limited to copyrights to any such works, and Supplier agrees to execute any necessary documentation to effect this assignment.

(n) The foregoing representations, covenants, certifications, and warranties will survive acceptance of goods as well as performance of services under this Purchase Order.

5. PAYMENT: TTUHSC will make payment for purchases made by TTUHSC departments under this Purchase Order in accordance with Chapter 2251 of the Texas Government Code. Notwithstanding any provision of this Purchase Order to the contrary, TTUHSC will not be obligated to make any payment to Supplier if Supplier is in default under this Purchase Order. No payment made by TTUHSC will (a) be construed to be final acceptance or approval of that Product or Services to which the payment relates, or (b) relieve Supplier of any of its duties or obligations under this Purchase Order. The acceptance of each payment by Supplier will constitute a waiver of all claims by Supplier except those previously made in writing and identified by Supplier as unsettled at the time of the invoice for that payment. TTUHSC will have the right to verify the details set forth in Supplier's invoices and supporting documentation, either before or after payment, by (a) inspecting the books and records of Supplier at mutually convenient times; (b) exercising any reports with respect to the Project; and (c) other reasonable action.

6. ANTITRUST LAWS; CLAIMS FOR OVERCHARGES: Supplier warrants and represents that neither Supplier nor any party acting on behalf of Supplier has violated the antitrust laws of the United States or of the State of Texas.
