10 Service Department Manager Responsibilities

Fund Managers and departmental personnel are responsible for the fiscal management of service department operations and related funds. Service departments are used to provide goods and services internally that otherwise would be purchased from an external source, potentially at a higher cost. Service departments are intended to result in overall cost savings and/or efficient operations for TTUHSC and are not intended to generate a profit.

Visit: TTUHSC OP 50.17 or NIH FAQs for Core Facilities for more information.
