Closer Check Needed for Additional Guidance Purchases

The Purchasing Card (PCard) enables a user to make purchases directly from vendors without submitting a purchase order or a Direct Pay. The PCard is not designed to replace the current TTUHSC purchasing process. It is a supplement to that process and an additional delegation of purchasing authority by the fund manager.

This newsletter installment is the third and final in the series intended to provide information about the use of the PCard. In the December Newsletter, we started the series with a discussion of Permitted Purchases – all of the items for which the PCard is the preferred purchasing method. In the March Newsletter, we presented Prohibited Purchases – items you should never buy with a PCard. Now, let’s review Additional Guidance Purchases.

Additional Guidance Purchases are items or certain purchase categories that require a closer check before buying with a PCard. The items and categories listed to the right have additional requirements that must be met before using a PCard for the purchase. Related policies and forms are noted where applicable to assist with procedures to comply with the additional purchase requirements.

For questions, contact the PCard Office at Pcard@ttuhsc.edu.
**Why Should I Care? Because This is Not a Drill**

This is not a drill! But keep calm because this phrase is only being used to draw attention to important information being shared – the Year-End Deadlines.

**What Are the Deadlines?**
The Deadlines are for Fiscal Year-End processes that must be completed before a certain date. Meeting the deadlines will facilitate accurate year-end reporting by ensuring that transactions are recorded in the appropriate fiscal year. Your assistance with meeting the deadlines is critical.

**Keep Calm and Click**
A consolidated view of the fiscal year end closing deadlines and processes for FY 2020 is available by clicking [here](#).

**Business Affairs Calendar**
The Business Affairs Calendar also provides all of the important dates, reminders, and deadlines for all departments within Business Affairs. The calendar is up to date with all the deadlines and processes you need for completing the annual fiscal close process for FY 2020. You can access the calendar from the F & A Work Tools tab under the Finance portlet in the Business Affairs section.

This is not a drill! This isn’t practice! Meeting the Year-End Deadlines is the real thing!

**Need to Know! Deadline Extension for Annual Certification**

Because of the continuation of the modified normal campus operating procedures to protect the health and safety of the University community, the deadline for the Annual Certification of Departmental Inventory has been extended to July 31, 2020.

We will continue to monitor operational processes and will evaluate further extension of the deadline as necessary.

**Did You Know? No More Manual Signatures**
Purchasing continues to work on improving the TechBuy Shopper experience by offering Adobe Fillable Forms and Web Forms. We understand that seeking a signature in today’s work environment has added challenges.

The new forms now allow for electronic signatures. On the TechBuy Home Page, there is a new section called Fillable Forms. These easy to use forms are designed so that the user can fill out and sign electronically - no more printing! Just complete the required sections, sign, and enter an email. A completed copy is sent to the selected email address and the Purchasing Office.

The following are available to use:
- [ICQ Form](#) (flow chart)
- [Non-Compliance Form](#) (manual format)
- [Sole Source and Proprietary Justification Form](#) (manual format)
- [Texas Sales and Use Tax Exemption Form](#)
- [Employee Non Cash Awards Prizes and Gifts Form](#)

If you’d like to electronically route your documents for signature, contact IT to request a free [Enterprise Adobe Sign license](mailto:rubie.castillano@ttuhsc.edu).
