Invoices which have been delivered into the departments are to be submitted to Payment Services using the Invoice Management System. The submission process eliminates/replaces the process of submitting invoices to Accounts Payable via comments in TechBuy. The system is user friendly and efficient for submitting invoices. The new Invoice Management System comes with significantly improved functionality including:

- Electronic invoice web submission portal;
- Confirmation of invoice submission;
- Automated reminders to complete Techbuy receiving;
- Notification of when an invoice has been paid.

**NOTE:** Accounts Payable Operating Policies still apply.

**Utilizing the System**

The Invoice Management System can be accessed through Techbuy Shopping Home Page under Invoice Submission or visit this link to make your submission: [https://www.fiscal.ttuhsc.edu/APInvoice](https://www.fiscal.ttuhsc.edu/APInvoice)

From the Techbuy Shopping Home page, complete your TechBuy receipt then submit your invoice document to AP by clicking the Invoice Management System link.
Fill in the **Requested Details** from your vendor invoice document and click **Submit**.
Here is an example of where to find the Requested Details on an invoice.
