New One-Stop Shop Website for Promotional Items

TTUHSC Printing Center is proud to present their new Promotional Items website. The website is a one-stop shop for promotional products and business gifts.

All You Need is a Billing FOP

Printing Center has been a promotional item distributor for more than three years. Sourcing directly from the manufacturer provides you with the most cost-effective way to market and promote your department with custom promotional items. With the new website, you can submit a request for more information or request a quote on as many products as you would like. Or, you can email promoplace@ttuhsc.edu and let them do the shopping for you. They are very familiar with which vendors are best for different products. Printing Center will even take care of all logo vetting through Communications and Marketing. The best part? All you need is a billing FOP. There is never a need to write a purchase order when you get your promotional products through Printing Center.

The Best It Can Be

Make your promotion the best it can be with high quality promotional products, fast delivery times, and prices for all budgets. Go to www.promoplace.com/ttuhsc/ and see why the possibilities are only limited by your imagination.
